“  
The two most  
important days  
in your life are  
the day you are  
born, and the  
day you find  
out why.”

**MARK TWAIN**

“  
What is it  
you plan to  
do with  
your one  
wild and  
precious  
life?”

MARY OLIVER

”

Before you tell your life what you intend to do with it, listen for what it intends to do with you. Before you tell your life what truths and values you have decided to live up to, let your life tell you what truths you embody, what values you represent.

**PARKER J. PALMER**

Does what goes on inside show on the outside? Someone has a great fire in his soul and nobody ever comes to warm themselves at it, and passers-by see nothing but a little smoke at the top of the chimney.

**VINCENT VAN GOGH**

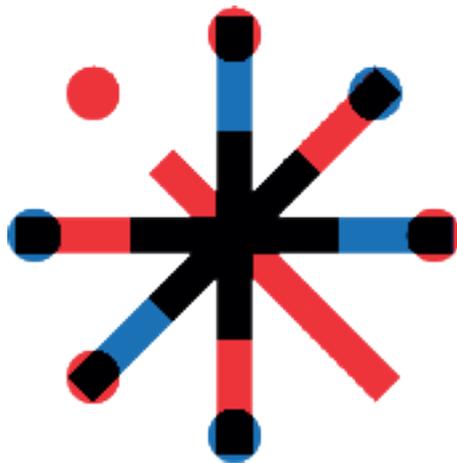

“  
Life is  
never made  
unbearable by  
circumstances,  
but only by a  
lack of  
meaning and  
purpose.

**VIKTOR FRANKL**
